Dear Mr. Shaw,

I called and left a message to speak with you several days ago. I haven't heard from you yet. I would like to come to some "just" resolution regarding all the cases cited in this letter. So far no one from the DA's office has been able to speak with me.

I hope we can talk before next Wednesday. Perhaps a little time spent now will save a lot of time and money on your part - and a lot of pain & suffering for me and my family. You should have several letters I have written regarding the matters pending in Lyons and Macedon. You can also consult these links:

http://www.AKidsRight.Org/support/traffic_jm.htm (For Lyons)

http://www.AKidsRight.Org/support/traffic2_jm.htm (For Macedon)

Please, I hope with your attention we can resolve these matters. I've served my country in the USAF and have done a lot of community volunteer work. I haven't had a 'moving' violation in 15 years and have always been a good driver. I love and support my Son every way I can and bear no ill will toward my former spouse and am NOT trying to escape supporting my child.

Finding myself treated as just 'another ticket (and criminal)' by the system -- in my own community where people know me has been a disturbing experience.

Respectfully yours,

John Murtari
