Magistrate Davies,

Per the request of the Court Clerk I am resubmitting my Objections with their original letter to me and proof of service. I am also including documentation on the original service of the Objections on the other part which occurred on Nov. 5th. The documents were sent to Ms. Walsh (attorney for Hiromi Sumiya) via certified mail/return receipt and both the record of mailing and the return receipt from Ms. Walsh's office are attached.

Respectfully yours,

John Murtari
